Or some mountain towns with high hills in some mountain provinces in the Northern. And another kinds are historical and ancient sites, such as mausoleum, museums or some and some old towns in Hanoi or Hoi An."

SỬA LỖI CHI TIẾT (ERROR ANALYSIS)

- ~~big-Rockies~~ → **limestone karsts / rock formations** (Dùng thuật ngữ chính xác hơn).
- ~~in the Northern~~ → **in the North / in northern Vietnam** ("Northern" là tính từ, không đứng sau giới từ "in").
- ~~another kinds are~~ → **another kind is / other kinds are** ("Another" chỉ đi với danh từ số ít).
- ~~mausoleum~~ → **mausoleums** (Dùng số nhiều để đồng bộ với museums và old towns).

CÂU TRẢ LỜI NÂNG CẤP (BAND 7.0+ SAMPLE ANSWER)

"I believe visitors to Vietnam are mostly drawn to natural wonders, such as the iconic limestone karst formations in Ha Long Bay or the breathtaking mountain towns in northern Vietnam. Additionally, historical and cultural sites are huge attractions, including ancient towns like Hoi An, historic landmarks in Hanoi, and various mausoleums or museums."

Question 5: Do you think tourist attractions such as museums should be free for local people to visit?

BẢN GHI ÂM GỐC (ORIGINAL TRANSCRIPT)

"No, I don't think so. I think the fee is for operations and... operation and preservation. So people should pay the entrance fee... entrance fee so that they have... they will have a... something like responsibility for everything in the attractions. And otherwise, the places may dis... may have some discounts for local residents and children to encourage them to visit."

SỬA LỖI CHI TIẾT (ERROR ANALYSIS)

- ~~the fee is for operations~~ → **the fee is used for daily operation and maintenance.**
- ~~have something like responsibility for everything~~ → **foster a sense of responsibility toward preserving the site** (Cách diễn đạt tự nhiên, trang trọng hơn).
- ~~And otherwise...~~ → **However, these places could offer discounted rates...** ("Otherwise" dùng sai ngữ cảnh phản biện).

CÂU TRẢ LỜI NÂNG CẤP (BAND 7.0+ SAMPLE ANSWER)

"Personally, I don't think so. Admission fees are essential for the daily operations and maintenance of these sites. When visitors pay an entrance fee, it fosters a sense of responsibility toward preserving the attraction. However, offering discounted rates for local residents or children would be a great way to encourage more frequent visits."

Question 6: What can make a tourist attraction disappointing for visitors?

BẢN GHI ÂM GỐC (ORIGINAL TRANSCRIPT)

"I think there are two main factors that disappoint visitors. The first is exaggerate height... exaggerated hype. Like when people plan to go somewhere, they will see a lot of images on social media about that places. So, may several pictures are edited, so that make... that create unrealistic expectation for them before before coming. And when they come there, they will feel that, oh, it's not worthy visiting. And the second is maybe high cost. Yeah, you know, everything in tourist destination are really... are really expensive. Not only not only the tickets, the souvenirs, but also the food and the services are really expensive. It's maybe twice or three times the price."

SỬA LỖI CHI TIẾT (ERROR ANALYSIS)

- ~~exaggerate height / hype~~ → **exaggerated hype** (Lưu ý phát âm: hype là /haɪp/, không phải height /hart/).
- ~~about that places~~ → **about those places** ("Places" là danh từ số nhiều).
- ~~it's not worthy visiting~~ → **it's not worth visiting** (Cấu trúc chuẩn: *be worth* + V-ing).
- ~~everything in tourist destination are~~ → **everything in tourist destinations is** ("Everything" đi với động từ số ít "is").
- ~~twice or three times the price~~ → **double or triple the normal price / exorbitant prices.**

CÂU TRẢ LỜI NÂNG CẤP (BAND 7.0+ SAMPLE ANSWER)

"There are two major factors that often cause disappointment. First is the exaggerated hype on social media, where heavily edited photos set unrealistic expectations. When tourists arrive and see the reality, it often feels underwhelming. Second, exorbitant prices for tickets, souvenirs, and dining at tourist hubs can severely ruin the overall experience."

3. Khuyến Nghị & Lộ Trình Cải Thiện (Action Plan)

1. **Nâng cấp từ vựng chủ đề Tourism:** Thay thế các từ cơ bản bằng collocations nâng cao như: *aesthetic appeal, limestone karsts, historical heritage, preservation efforts, exorbitant prices, tourist trap, underwhelming experience*.

2. **Khắc phục lỗi hòa hợp Chủ ngữ - Động từ:** Chú ý các đại từ bất định như *everything, everyone* luôn đi với động từ số ít (*is/was/has*).
3. **Luyện tập phát âm từ vựng khó:** Tập trung phân biệt cặp âm kết thúc /p/ và /t/ (vd: *hype /haɪp/* vs *height /haɪt/*).
4. **Sử dụng Discourse Markers tự nhiên hơn:** Dùng các cụm từ như "*To begin with...*", "*Additionally...*", "*On the flip side...*", "*Having said that...*" để bài nói được mạch lạc và tự nhiên hơn.
